BOILING WATER TAP COLLECTION  
HOT TAPS MADE EASY

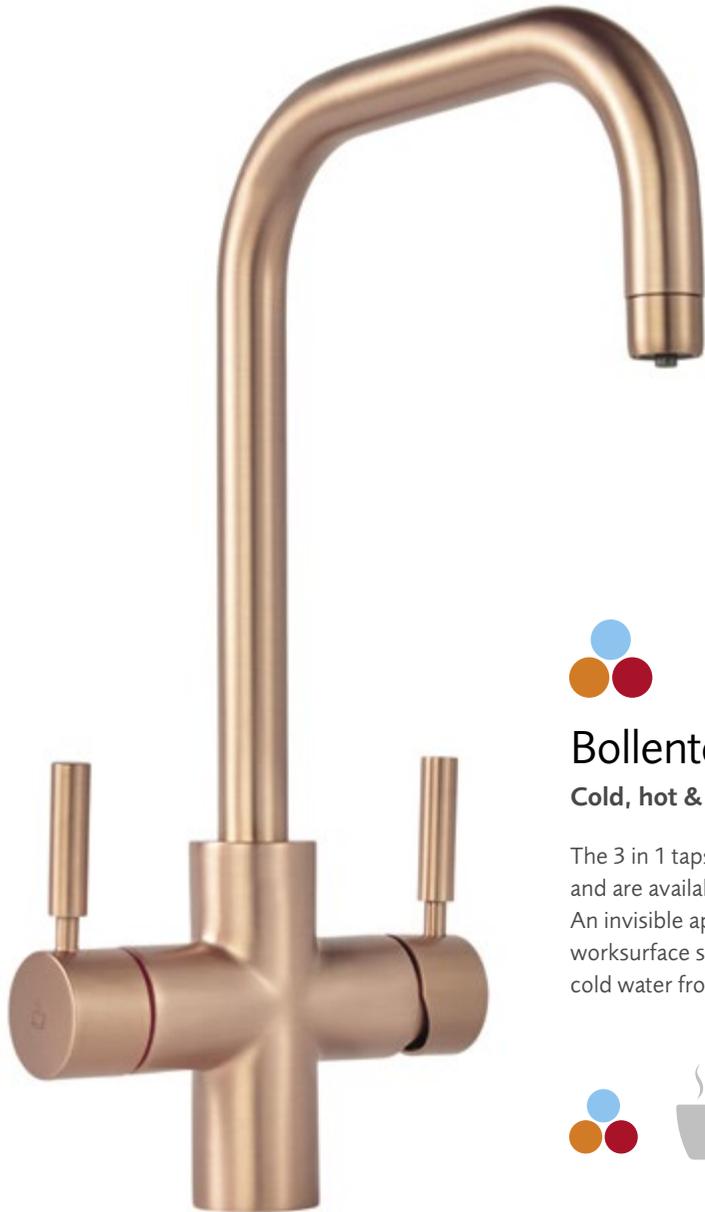

# TUSCAN BOILING WATER TAP COLLECTION

**Bollente boiling water taps from Tuscan combine convenience and style, delivering boiling hot water in an instant.**

**High on looks yet low on maintenance, Bollente taps withstand daily wear and tear, are easy to clean, and allow you to make your own style statement with a choice of models and finishes.**

## FEATURES & BENEFITS

- Suitable for use with any worktop, including laminate
- Tap, tank and filter all included in one box
- Non-pressurised system, meaning no spitting and spluttering
- An inbuilt safety mechanism ensures boiling water is not accidentally dispensed
- Suitable for DIY installation, or professional service available on request
- 2 year guarantee covers parts and labour, subject to a filter change every 6 months

## Bollente 3 in 1

**Cold, hot & boiling**

The 3 in 1 taps offer a sleek U-spout design, and are available in a choice of 5 stylish finishes. An invisible appliance that frees up precious worksurface space, delivering boiling, hot and cold water from the same spout.

## Bollente Direct

**Instant boiling water**

Offering the convenience of boiling hot water in an instant, this tap is ideal for making hot drinks on demand. Bollente Direct is the perfect option for use alongside a regular tap - the classic chrome finish and stylish J-spout ensure it suits any kitchen.
